

## Frances Anne Anderson Lytle

October 19, 1948 - October 31, 2020

Frances Anne (Anderson) Lytle, 72, loving wife to Michael E. Lytle of 54 years, passed away Saturday, October 31, 2020.

Anne, as she was affectionately called after her dear grandmother Annie Conway, was born October 19, 1948 in Jacksonville Florida to George Francis Anderson (US Army SSG Ret.) and Carolyn Anderson (Conway).

She was a deeply loving devoted wife, mother and grammy. She married Michael E. Lytle on October 1, 1966 in New Port News Virginia. Together they raised two daughters Patricia Anne and Cheryl Lynn. Anne attended the University of Miami College of Medicine and received her Bachelors of Science in Nursing. She spent her 20-year career caring for others as a RNBSN at Baptist Hospital of Miami before retiring in 2003 and moving to Tallahassee to be close to her children and grandchildren.

Anne loved to travel around the world with her husband and family experiencing all the world could offer. She was blessed to have spent her life living and traveling to places such as Belgium, Alaska, Germany, Spain, Hawaii, Columbia, Brazil, Central America and extensively throughout the United States and Caribbean. She saw the world and cherish every moment. Anne truly enjoyed her life and many things in it like painting, visiting her close friends and family, Shandra Jenkins and Juanita Jolly in Oklahoma, relaxing at her beach house in Panama City or Sanibel Island, with all its warm family memories. She loved playing games or solving puzzles, a love she passed on to her handsome grandsons.

Most of all Anne loved music and she was always singing the beautiful song playing in her soul – just like her sweet father.

She is forever the music playing in our hearts. We love you.

She is survived by her loving husband Michael E. Lytle; daughter, Patricia Lytle Ryan and husband Mark; daughter, Cheryl Lynn Lytle Robuck and husband, Todd; grandsons, Peyton Ryan and Jackson Ryan. She is preceded in death by her parents, George F. Anderson and Carolyn Anderson.
