“ *My memory of Marie, is that she loved everyone! She never met a stranger! She sure did love her football! She made it clear not to call her when the game was on, except on commercials! She loved her Lord, her church, all her family and all her friends! She loved all her travels with friends and family! Her favorite season was the fall , when she could go to the mountains and see the leaves change! She will be greatly missed by all!*
