

Frances Weeks Ingram Rowan

September 8, 1947 - March 16, 2018

Frances Weeks Rowan went to be with the Lord early on Friday, March 16, 2018, at the

age of 70 years. Frances will be lovingly remembered by her husband, Bernard, and her children LaDonna (Press Witt) Ingram, Laura Ingram, and Natasha (Scott) Hollis. Frances will also be fondly remembered by her three grandchildren, Peyton, Nick, and Spencer Van Gundy.

Born and raised in South Georgia, Frances lived her adult life in Apalachicola and Tallahassee, Florida. Frances was very active in her community, where she volunteered for local beauty pageants as well as being the high school cheerleader sponsor. She was an adored member of both Florida communities.

Frances enjoyed her career at the Florida Board of Professional Engineers where she retired as license administrator in 2009. She spent her retirement traveling across the country with her beloved husband in their RV. She was also a skilled seamstress and opened her own embroidery business during her retirement.

A funeral service in memory of Frances will be held on Sunday, March 18, 2018, at 3:00 p.m., at Bevis Funeral Home, 200 John Knox Rd., Tallahassee. Family will be receiving friends starting at 2:00 p.m. Interment will follow at Tallahassee Memory Gardens. In lieu of flowers memorial contributions may be made to the National Pancreatic Cancer Foundation. Todd Wahlquist with Bevis Funeral Home (850-385-2193 www.bevisfh.com) is assisting the Rowan

I worked with France many years ago at Gulf State Bank in Apalachicola. She was one of the sweet at people I have ever known. She made everyone feel special. I have been praying for her healing for a very long time. It has finally come, though no as we would have liked. I will continue to pray for her family that God will comfort them as they mourn her loss.

“ *I worked with Frances at the Board of Professional Engineers. A fond and fun memory is when she tried to teach me to walk like a "lady". She tried her best, but the walk never became a part of me. God be with her family! She will be missed.*

“ My deepest sympathy to the family . I met Frances many years ago while we were both working for Florida Engineers. She was one of my supervisor. And I must say she was the best of all the people working there. She knew how to treat people . May God bless all of you and I am sure she is at peace now.

“ *Frances is my sister, my best friend, my rock. I will always miss and love her. When you think of a southern woman, Frances should pop in your mind. She was beauty and grace. She loved life and was full of life. She could put you in your place with the raised eyebrow and smile and never have to say a word. There will never be another Frances. I love you.* ”
