“ I knew Frank from Home Depot, a gentle giant always with a kind word. My oldest is autistic. He's now 20 and 6'4. From when he was very young people would say teasingly "you're too tall", not understanding that with his very literal mind, he believed them. Frank would go out of his way to say hi to Jimmy every time he saw him and would tell him, "Jimmy, we are exactly how God wanted to make us.”

“ Cindy, I'm so sorry to hear of Frank's passing. He was a talented stained glass artist, a prankster, and a good friend. We will all miss him at the art center and are thinking of you.
