Shelby, Julie, Sydney and Thomas

We share your sorrow. Frank was like a brother to Leisa and like a son to us. We considered him a part of our family. We have wonderful memories of times spent together with Frank to cherish forever.

We are truly blessed to have had Frank's presence in our lives. Frank will continue to live on in our hearts forever.

“ We will miss Frank very much. He was one of our son Bill's best friends. They played football together at Nease and he was in and out of our home so many times. In fact, he even lived with us for a while. I always made sure he did his "chewing" outside! He had such a love of life and was a joy to be around. He will be sorely missed.

“ I have a Nease football photo some where of Frank after a loss on a muddy mess of a night. He is completely covered in mud and totally exhausted from playing both ways in a driving rain. As depressing as that old black and white picture is I have always thought it captured something about digging deep when the odds are against you. More than just grace in defeat. A True Grit kinda of a thing, that picks you up every time you fall, even though you know the next fall is maybe just seconds away. I pray Frank's family can pick themselves up just like "Iron Man" Frank Mixon did back on that field.

God Bless,

A green candle, just like your Perq's shirt you would be wearing when you came up the stairs at work and said good morning every day. I miss that! Shelby & Family, you are in my thoughts and prayers. Godspeed Frank..... you are greatly missed by all!
