“ As an avid Reader of People's Obituaries from various News sources, a name I recognized appeared. Frank Mozolic. I am shocked and saddened to hear of his passing even though it was over 3 Years ago.I knew Frank when he worked for what was then the Olin Corp in the 1990's. When i saw the Obit, I knew it was him. Good Lord. I met his Wife Susie a few times as well. Due to privacy concerns i will remain anonymous, but i hope that this brings a measure of comfort to the Mozolic family.

Peace and Tranquility.

“ Susie, You are in my prayers daily since I heard the sad, sad news of Frank's death. As you know, God is close to the brokenhearted and comforts those who mourn. I pray you can feel the strength and love of God for you and for Frank in these most difficult days and nights. I am sure there is a great insence of prayers before the throne of God on your behalf.

“ "Big Frank" will always be "Little Mo" to me. We grew up in Perth Amboy, NJ and I have so many wonderful memories of our childhood shenanigans, barbecues, holiday parties and much fun. Thank you for being such a memorable character. Even today in such sadness of your passing I can't help but smile at those childhood days. My sincerest sympathies to Susie & family; to my cousin Fran & Emil and family for your loss. I will miss that big guy and that bigger smile.

Love to you all,

Susie, I am so shocked to learn of the passing of your other half, Frank, and certainly know deep sorrow you feel right now. Please know he is no longer suffering and he will be watching over you and your family from now on until you meet again. You have your many sweet memories and the Love of our Sustainer to see you through. You will be surrounded by prayers by those who love you and whose lives you have touched at their times of need in our community to guide you through this most difficult period. You have always been a person I looked up to and I will be keeping you in my thoughts and prayers - and if there is anything I can do please call me.

My heart hurts. Frank made a point to make sure that my husband, Buddy and I had a familiar face to approach when we first started with 20th Century Krewe. He's a memory away.

I will forever cherish my fond memories of our time together;
growing up as a young boy and as a grown man.

shoot the breeze.
I know you are at peace, and my love for you will forever have a

“ My Dear Uncle Moose, I will miss you and all our funny stories we would share with each other. I especially will miss our stories of “wife duties”, (you know what I mean, haha 😊!). Thanks for all the laughs. I will always be your “Pammy Soft Nose”. Wish we knew last January was the last time you would touch my nose, that was always our special thing...I will treasure that last “Uncle Moose” touch ❤️ Be good up in heaven, stay out of trouble, and I hope there is a lot of Kohrs, Maruca’s, Chick-Fil-A, and all you can eat buffets!! Love You and miss you, Your Neice, Pammy Soft Nose 😘💕
