“ Fred Boska was "instrumental" in my formative years. I played French Horn in his Rickards Jr/Sr High School Band. Fred encouraged us all to be proud Musicians, and provided us with wonderful guidance towards that end. Upon graduation in 1966, I entered Florida State University as a Music Education Major; and Fred entered FSU to pursue a Master's Degree. He later went to Georgia for his :PhD and was a Professor there for a considerable time. His mastery of the Music World was evident in all pursuits, and was a very well respected and Nationally known performer on Pipe Organ. I miss my mentor, I miss my Friend. Fred, Rest In Peace!

“ My dear Fred, I am so sorry I missed you. My wife wanted to meet you. You were my best friend and boating buddy in the 70s. I shall always remember the great times at Georgia Southwestern. Depart in peace and love and may there be peace and love between us always.

“ I believe I knew Fred as a youngster in St Augustine Fl...we were both students at St Joseph's Academy...a quiet young man with curly brown hair, as I remember....I had no idea he was living in Tallahassee, as I have for the last 50 years....RIP
