“ Gail was one of the first people I met when I returned to Miami in 1976. We were co-workers, and later travel companions, and always friends. We became part of each others family. I remember one time several of us (including Gail & Tom and Paige) celebrated Thanksgiving together in San Francisco. Our travels included Venice, Russia, Alaska, Croatia; we always had fun. Good memories- I will miss you, Gail.

“ We had the pleasure of seeing Gail when her and Tom came to Louisville to celebrate Aunt Joan's 90th birthday party with Uncle Kenneth and family. I recall many memories of growing up together in Williamsburg Ky and working in her daddy's grocery store.
