“ My heartfelt sorrow to the Morse family upon hearing the news that Gene Morse died. I met Mr Morse while I was growing up in Tallahassee. He was industrious, hard working, and set a good example of work ethics. He balanced his work days with brisk walks in late afternoons; I would often see him walking along High Road in the days when it was a safer path. I knew his children: Stephen, Cameron, and Randy, and I share in their loss. He enjoyed a long life and loved his family and friends. He is one those unforgettable characters I'll always remember. I admired him greatly, and he will be missed.

“ To the family members of Gene Morse,

Please accept my condolences. As a longtime employee of the DOF, now the Florida Forest Service, I had the opportunity to get to know Gene. He was a man of great character and possessed a high professional commitment to our agency. Again, I am sorry for your loss.
