“ This one has deeply saddened me. George and family lived next door during elementary school. The fun we had playing softball and kickball in the street. Hide and seek was another favorite. I lost George after high school graduation. But thoughts of him always brought a smile to my face. He touched many lives.

“ So sad. George was such a nice guy. Grew up together and he would come in the restaurant every so often. He even starred in an FSU movie that was made at our restaurant!! I think he had a great life!

“ So sorry to hear about George. Back around 2000, when he had a shop in Carrabelle, George designed and made a beautiful leaded stain glass piece for me, which I have in my kitchen window. Prayers to the family.

“ We have lost one of the good ones this day. George had a ginormous heart, once you met him you were a friend forever. He was a joyful soul. We were lucky to have him even for a short time. Sail on " into the Mystic" dear friend. ❤️
