“ Well Benny just told me a few weeks ago that he would probably die right there in his little place but I don't think he thought it was going to be quite so soon.....He will be missed I loved that deep man voice he had ...another one of the good ones gone. Benny was a simple man his needs were few I will miss him

“ I will never forget in 1982 we left the hospital I believe one of your children was born. I know I was very pregnant with my youngest daughter. We went through the woods on the way to Woodville and hit a mud puddle and slid that old forward off into a pond. We spent the night there. At daylight you went to find help to get us out because Jimmy was not going to leave me there by myself being pregnant. There are so many more memories that I could post like you loaning Jimmy and I a car in our first years of marriage because we had no way to go. I never knew a friend that would loan you that kind of gift. You will never be forgotten. May you and your Ford truck with Jimmy, Junior, Jeffrey, and Lonnie Dale have the best time in heaven!
