“ *Ni George was not just an Uncle, but a kind and peaceful man in every sense of the word. His peaceful, loyalty, kindness, and unwavering presence made life brighter for all who knew him. He gave his whole heart; making everyone feel special, as though they were the only person in his world. Though he is no longer with us, his spirit lives on in our memories, our stories from curving my mind as a child and following through to make my dream come true on entering this country I so long desired, paving my path as I walked through it and the many lives he touched. Ni George as we call him will forever remain in our hearts as, my father, and a soul never forgotten. The angels rejoice in welcoming such a beautiful soul. Your soft spoken nature, your laughter, and your unique style will live on with us always. Rest in peace Uncle. Until we meet again. Abundoh*

“ My dear brother George was one of the most important people in my life, and having him as a brother was a true joy. We were inseparable from the start, sharing a bond that went beyond words. Though he was taken far too soon, his life was full and overflowing with love. Dear brother, I will carry your spirit with me in every act of kindness, and every moment I show up for others, just as you always did for me."Today, while there is a void no one can fill, I find peace knowing you will live on in our memories as the one who always made things feel a little less heavy." Adieu, little bro!!
