

George Lewayne Weldon

April 10, 1954 - March 19, 2017

On the evening of Sunday, March 19th, George Lewayne Weldon (Wayne) said goodbye to the love of his life and went to be with his Lord after a courageous fight with Cancer.

Wayne never met a stranger he could not start a conversation with, he was a true people person every day of his life. He loved making people smile with his canny jokes and good humor. We know that he is happily riding and roping with the cowboys in heaven right now.

He is survived by his loving and devoted wife Anita and his Son George Weldon of Texas, Ronald Velush of Maine, Georgia Weldon of CT, Matthew Morrison of Maine, Josh Weldon of Maine and Brittany Weldon of Maine as well as several children and grandchildren he has taken in and opened his heart to over the years. He is also survived by 10 Grandchildren, McKenzie, Hayden, Bruce, Jacqueline, Natasha, Devyn, Danielle, Vinny, Maddy & Kamdyn. He will live on in our hearts forever and will be sorely missed by all he touched.

There will be a celebration of his life on Friday between 4 and 7 PM on Friday, March 24th.

“ Wayne was a great guy. I met him when I was 17. Such a nice guy and a great heart. Always thought of him even though we lost contact when he moved. I was saddened to hear about him having cancer. He will be missed and always remembered. Prayers and thoughts to his whole family.

“ *Wayne was like a father to me just as he was to so many others. I'm glad he was able to walk me down the aisle when I got married and I couldn't have had a better man take the place of my real dad for the father daughter dance. He will always hold a special place in my heart. I hope he meets up with my husband who passed away in 2010 and I hope the two of them have a great time together once again. I love you "daddy Wayne"*
