

## Gerald Walker Hardwick

March 1, 1944 - January 10, 2022

Gerald Walker Hardwick, age 77, of Tallahassee, entered into rest January 10, 2022 at Pruitt Healthcare.

Gerald was a 1964 graduate of Dillon High School where he was a star athlete. He participated in football, pole vaulting, boxing, held the record for the mile run in track, the record for the rope climb, and was a member of D Club and the Fellowship of Christian Athletes. After high school, Gerald served in the US Army National Guard for six years.

Gerald was a stockman at a retail department store who was working his way up to management. In 1977, Gerald was recruited to become one of the first Walmart managers, when Walmart expanded out of Bentonville, Arkansas. There, he worked for 20+ years beginning in Charleston, SC, then transferring to Apalachee Parkway, Tallahassee, Florida, then to Plant City, Florida where he retired in 1989. Gerald was dedicated to his work and was beloved by his employees and coworkers.

After retirement, Gerald couldn't sit still and decided to open a used car dealership, South Monroe Auto Sales, that he and his son, Eric, operated together.

While Gerald spent a lot of his time working, there was nothing more important to him than his family. He was the oldest of four siblings and had four children himself, and he made sure to be the protector of them all. Gerald

may have been compact in stature but was mighty in valor, never backing down from anyone- big or small.

“Let’s go fishing”, is a common invitation you may have heard from Gerald, as he loved being out on the water or telling the “biggest” fish tale. He found unlimited pleasure in the outdoors, fishing, hiking, and scuba diving and found even more joy in an experience when he included others in his adventures. Growing up, Gerald could be found either fishing on the river with his daddy or spending time at the beach. If you hear the phrase ‘giving someone the shirt off your back’, you might think of Gerald. He was generous and could often be found buying someone else’s groceries or their gas if he saw they were in need. Gerald adored the company of others and would go to the shooting range just to find good conversation. Gerald was a sharp, witty guy who loved Roy Orbison, fast cars, a good joke told by his brother Tony, cleaning fish, shrimping, scuba diving, fixing things (sort of), and going to the flea market to find a good bargain.

Gerald is survived by his children Dawn Whitehurst of Tarboro, NC; Heather Cuajunco of Charleston, SC; Andree Buckthal of Bicknell, IN; Eric Hardwick of Tallahassee, Florida; and nine grandchildren; siblings Jan, Tony and Kathy. He was preceded in death by his parents Jesse Walker Hardwick and Agnes Miller Hardwick; brother Billy Hardwick.

*I worked with Gerald for several years as part of the management team at Walmart and again with him in North Carolina. He inspired me and help guide my life, and he will be missed. He loved Mountain Dew and he walked so fast I originally thought he was playing me but found out he was a mover. I moved on to Phoenix with Walmart but always remembered him and Eric. I took some of his energy with me and I still walk fast and he said " Arthur if you passed away today the company would mourn your loss for a few days then you would be forgotten so don't ignore the people who care for the company " Rest well my friend "*

*Gerald was my cousin who I hadn't seen since the last family reunion, and though we didn't see each other much over the years, I loved him dearly. I was so sad to see that he had suffered the same way that so many of our family has, including my mother Martha and my sister Shirley just recently. I love you Gerald and wish you peace.*
