“ I have lived for 82 years. Ginny has shared more than half of them. She was my friend and she was family. I have had many blessings in my life and she was one that I cherished. We shared every part of our lives. There are no words to express the emptiness I feel. Heaven will be a brighter place with her sweet smile and gentle ways. I love you Ginny and I will miss you every day for the rest of my life.

“ I have been part of Ginny's "family" since my aunt, Gail Snodgrass married her brother Cleve years ago! The time has flown by with many memories made along the way! There have been lots of good times and sad times as well. My condolences to all of her family at this difficult time.

“ *There has been so many years of wonderful memories, I can only call it a blessing from God. Having Ginny (my Lou-Lou) as a step-sister has filled a very special place in my heart. We have shared a life time of parents, children, grandchildren, holidays, travel and all with so much fun. She will be missed by so many and me for sure. My heart goes out to all who loved her as I did, and hope your memories will be cherished as much as mine. There is a special place in heaven with some people who are gonna be glad to see her. My sincere sympathy for her children and grandchildren who she loved dearly. May God bless you all and remember...I love you Lou-Lou!!!!*
