

Gladys Lucille "Pat" Weber

January 20, 1937 - October 13, 2025

Gladys Lucille "Pat" Weber, 88, passed away peacefully at her home in Tallahassee, Florida, on October 13, 2025. She was known affectionately to her friends as Pat and to her family as Mimi.

Pat was born January 20, 1937, in West Salem, Ohio, the daughter of Ralph and Mary Hansen Flickinger. Her two beloved daughters, Sharon Karim (Karim) and Jill Rodriguez, were born in 1964 and 1966. She later married her husband, Vernon Oscar "Vern" Weber, who predeceased her on September 30, 2009, after a long illness that she faced with courage and unwavering devotion by his side.

Pat was well known for her deep love of and commitment to animals. Over the years, she cared for and spoiled many cats, dogs, and birds—many of them rescues—each one treated like family. She delighted in going out to lunch (or "grabbing a bite," as she always said), shopping with her daughter, and hunting for deals at the flea market.

Pat had a self-described wanderlust. She embraced every move as a new chapter and found beauty in new beginnings. Wherever life took her, she made friends easily and loved striking up conversations with strangers. Her easygoing personality, natural curiosity, and kind listening ear drew people in and made her feel at home everywhere she went.

Pat was preceded in death by her daughter Jill, her husband Vern, and her siblings Ralph, Evelin, and Ruth. She is survived by her daughter Sharon (Karim), her brother Carl (Geneve), her grandchildren Stephen (Lynn), Tiffany, Carlos (“Chago”), Michael, and Sara, her great-grandchildren Carmen, Ezekiel, and Alex and her dearest friends Frank whose love and support enabled her to stay with her family. Brandi, an angel on Earth, whose loving care made her last days peaceful and comfortable. And Betty, her “partner in crime”. Her dinners and companionship gave her strength and hope. They were truly her champions and heroes.

True to her wishes, she will not be remembered with sadness, but with a smile for the wit and feisty spirit she lived by, and for the laughter she inspired in those left behind.

Thank you for your love and support during this time.
