“ *Hi aunt Joyce- I am so very sorry. Although I only have fond memories of our childhood, I am so very sorry. I am happy to have reconnected with John these past few years and I would have loved to have met up with Glenn again. John speaks so highly of him I regret not attending the service as I was traveling to Colorado this past week. Peace, blessings and love*

“ *It would be nice if everyone you left behind uses this as a chance to strengthen relationships. Grandma taught us all to forgive and to put family first. This was an example that you lived your life by. You will be missed.*

“ Glenn it saddens me to think the world has lost one of it's kindest and loving individuals. You had a heart of gold. But I also feel you are finally at peace and that warms my heart.. Though we haven't been in touch for a long time, I still thought of you and cared about you. Rest in peace and hopefully one day we will meet again.

Love, Aunt Rose
