

## Glenn Earl Scarborough

August 26, 1958 - February 28, 2020

Glenn Earl Scarborough, 61, passed away on February 28, 2020. Born with severe birth defects and never expected to live, Glenn's strength and determination carried him through a lifetime of surgeries and allowed him to live a happy and productive life. His medical case was written journals and studied by many. The family would like to thank and acknowledge the medical practitioners who cared for him along the way.

Glenn was an electrician by trade and enjoyed fishing, hunting and gardening, along with woodworking and many other creative projects. Always willing to help others, Glenn took pleasure in mentoring other ostomy patients by answering questions, sharing stories, and providing emotional support.

Glenn is preceded in death by his Father, Hansel Seth Scarborough, and an infant brother, Lee Charles Scarborough.

Glenn is survived by his mother, best friend, and lifetime caregiver, Vivian Scarborough; his sister, Joni Fitzgerald and her husband Terry, and his namesake nephew Kevin Glenn Fitzgerald.

The family invites his family and friends to a celebration of life event this Saturday, March 7, 2020 from 12PM – 4PM at 3126 Sharer Road, Tallahassee, FL.

In lieu of flowers, the family asks you to consider donating to the American Kidney Foundation or the American Cancer Society.

Susie Mozolic of Bevis Funeral Home is assisting the family with their arrangements. ([www.bevisfh.com](http://www.bevisfh.com) 850-385-2193)

“ Glenn was the very best cousin, even though we went through stints of years not seeing each other. He was the kindest person I have ever met and one of the most mischievous. No matter the physical pain he was experiencing, one could catch the twinkle in his eyes. I will miss him as I complete my earthly path, but fully expect him to be waiting to show me the joys of the heavenly paradise he now plays in, trying to kiss all the angels.  
A salute to my sweet kissing cousin Glenn!!!
