“ I was able to get to know Gregory as his Assistant Principal when he was in elementary school. I loved having conversations with him and enjoyed his sense of humor. He was one of the smartest kids I ever met. I will miss him dearly. My prayers go out to the Woeckener family.

“ As Gregory's elementary school principal in North Carolina, I had the privilege of watching him grow from a tiny youngster into a neat young man. Late in his elementary school experience, Gregory ran into a difficult situation with a peer. I can't begin to describe the class, maturity, and wisdom he handled himself. I was extremely impressed with him and his personal growth. I will always remember working with Gregory as a bright spot in my career. My thoughts and prayers go out to the Woeckener family.

“ Dear Woeckener family,
So sorry for your loss. At times like this I find comfort in the
scriptural promises found at Revelation 21:3,4 and John 5:28,29. I
hope they can bring you a measure of comfort too. -Kelly Jey
