“ I'm just now learning of Bobs passing & man is it dis heartneing! I met Bob in 2012 when he offered me work after I was volunteering at the church. Bob was always a kind, straight forward & logical minded person. No matter what you were going through he ALWAYS had some sort of substantial input that could change whatever way you were looking at a situation. I went through allot but he was always there with either encouragement or a basic "You should've done better, why would you do that?" sort of response. I worked for him off & on for a few years. When I popped in to say hello in 2018 he seemed pretty happy to see me doing much better & on a straight path! He should be remembered for his love of soda, SyFy movies/tv & as a follower of Jesus Christ! I am moved that I will never again be able to strike up a conversation with him! May he rest in peace. - Phillip Trudgeon
