“ *Hardy was one of the last people who was a large part of my daddy's growing up years. Daddy left home in Lloyd at about 16 years of age to live with his mother's brother's family (Hardy, Sr) in Sopchoppy. He left because his daddy wanted him to quit school. Daddy wanted to complete his high school education. When Uncle Hardy Sr and family opened their home and hearts to take daddy in, his life changed. Because of their generosity, he was able to complete high school, meet mama and marry her, fight in WW II and achieve a good and Christian family. I remember Hardy, Jr. telling me that he had sat at daddy's feet on their front porch while daddy taught him how to play the guitar. Hardy was about 10 years younger than my daddy. He relayed other memories of daddy at numerous Revell reunions that we were a part of. I will truly miss Hardy. Charlotte Joyner Cooksey*

“ During this very difficult time, God's Word, the Bible, provides the greatest comfort of all. For instance, at John 11:25, 26: "Jesus said: 'I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life. Therefore, we can take comfort in knowing that our dead loved ones are resting in peace, and they will be resurrected in his due time.
