“ I'm Tommy Pharis, from Cairo (now live in Thomasville).Harry's cousin. His dad and my mother were siblings. In 2013 my family moved from Cairo GA to Murray, KY. We returned in late 2019, and several times I was thinking about getting in touch with Harry. As youngsters, he spent time in Cairo with me fishing in the Ochlocknee River, and I spent time in Tallahassee with him, mainly fishing on the Wakulla River. After trying to make contact with him after returning from Kentucky, I was shocked to read his obituary. We had a "most excellent time" as kids, fishing, swimming at the Cairo pool and in Wakulla Springs. I miss him. To his family, Terry and his wife, I'll tell you what you already know....Harry was a kind and gentle person who loved family and the outdoors. Few days go by when I don't think about him.

“ I met Harry at Lively Vo-tech in 1977. He was my Data Processing teacher. We instantly became friends. Not only did we work together at the Leon County schools system but we hung out and went skiing , fishing and four wheeling. He called me his little fat buddy and I called him Rosco P Coltrain. There wasn't a mud hole or sand hill we didn't try to conquer in our jeeps. Such a good friend he let me use his camper for hunting season in Robert Brent Management area.

In receiving my training from Harry it bettered my life tremendously. We stay in touch until I moved to Jacksonville, Fl to take a job at Barnett Computing. Even through the years he was always a friend. We lost touch over time because of distance until I got to see him at Chelsea's and Bradley's wedding. It was like we had not been away from each other at all.

He was a friend for sure that you could bounce ideas off, joke around with and have fun with. I sorely miss him.

We send our heartfelt condolences to Harry's family. To the ones he left behind. One day I hope I get to see him again.
