“ *Harry was my Supervisor at FSH... I have so many great memories of him and I hate that I haven't seen him in many years since he retired. He always inspired me and I don't believe I would be in my current position at work without his guidance. I now work in his old position as Shift Supervisor / Lieutenant at FSH. It breaks my heart to hear of his passing... May GOD be with his family that he Surly Loved and talked of often.  
RIP Strick..*

“ *Mr. Strickland was a good protective father and respectable man. I had the joy of growing up with him and then the privilege of having him as an instructor at the corrections Academy. He taught me life lessons and lessons in my career. I remember getting in trouble as a teenager with Gail and I remember getting in trouble in class because he knew I knew what I was suppose to do but just second guessed myself so I got a stern butt chewing during a break. I loved him for always pushing me and looking out for me. Prayers to his family.*
