“ *It's in deepest sadness that we lost our mama. Our mama really stuffed toward the end of her life. She had a rapid breast cancer. She went through surgery, then 27 days of radiation. We went to the cancer in Tallahassee for 27 days. The staff at the cancer center as wonderful. Sadly she kept getting sick afterwards. She had a out of other issues too. We will miss our mama so very much. We know she is with Jesus and in no pain.*
