“ *Mama Hazel and I used to work together at DMV years ago. She painted me a sewing box and a serving tray with flowers and hummingbirds Hazel and her husband Jonny used to take me water skiing and fishing and treated me like one of the family. I would visit her at her home from time to time and later at the rehab facility and take her watermelon and frosties. When I went to see her at the rehab facility I wasn't real sure if she knew who I was, so I asked her if she knew my name and she said yes, so I said what is my name and she said you don't know? LOL. She was a very smart, sweet and funny lady and good friend who I will miss very much. She is no longer suffering and in pain and is with her Savior in heaven. I look forward to seeing her again one day and when it is my turn to be called home I hope she meets me at the gate. Condolences, prayers and hugs to Jonny and the family. You will always have precious memories of your mom in your heart. Love and hugs, Paula Hubert*
