

## Hazel G. Davis

February 14, 1933 - February 13, 2022

Hazel Gertrude Davis, age 88, passed away on February 13, 2022 just one day shy of her birthday. She was born in 1933 to parents Emmanuel and Eunice Irene (Roberts) Davis in Sopchoppy, Florida. She graduated from Sopchoppy High School and soon thereafter, moved to Tallahassee and attended Tallahassee Community College. Hazel then received her Bachelors in Business from Liberty University while working for Centel, where she would dedicate over 40 years as a supervisor prior to retirement.

Hazel attended Berean Christian Fellowship Church of Tallahassee. She was known by the community, her family, and her church family for always being willing to give the shirt off her back. She exemplified the true meaning of altruism - her generosity, complete selflessness, and unconditional love touched countless hearts during her lifetime. In contrast, she is also remembered for her sharp wit.

Survivors include her doting daughter and son in-law, Rhonda R. Dozier and Craig Dozier; siblings Broward Davis, Larry Davis, Jean Yale, Bruce Davis and Ricky Davis; grandchildren Porschea Dozier, Preston Dozier, Mercedes Dozier, Cole Dozier, Trevor Dozier, Callie Dozier, McKinley Dozier, Teila Dozier, Autumn Dozier, Josiah Dozier, Jessa Dozier, Asa Dozier, Katelynn Davis and Taylor Davis as well as 15 great-grandchildren and a host of extended family members. Hazel is now reunited with her parents and others

who preceded her in passing: siblings Howard Davis, Helen Davis, Terry Davis and Don Davis; grandchildren Troy Davis and Beau Dozier.

The family will be receiving guests for a visitation at Bevis Funeral Home of Tallahassee on Friday, February 18, 2022 from the hours of 6:00 – 8:00 p.m. Her service will be held graveside at West Sopchoppy Cemetery on Saturday, February 19, 2022 at 10:00 a.m.

“ I met Hazel through Eastern Star. Her station was Biblical Ruth, daughter-in-law of Naomi. Sister Hazel had the same personality as Ruth-one of caring, wise, hardworking, generous and kind. I always enjoyed being around her and learning from her. Reading the messages by her family and friends exemplifies the kind of person she was. We will all miss her. She is now in the arms of God. In Star Love - we miss you. Jane Hammelman

“ Sorry I was unable to see Hazel in the last few years due to Covic. She was such a beautiful and gracious lady. It was a pleasure to have her as my supervisor for several years. Rest in peace my friend. I appreciate, love and will miss you. God comfort and bless all of Hazel's family.

“ My mom was committed to her family. When anyone came to her with a need she listened, gave careful consideration and helped in whatever way was needed. She had the valuable trait of being able to "tell it like it is" .  
She was clear, fair, straightforward, candid, impeccable, open and right.  
She had the ability to speak of the issue at hand in a straightforward manner with the persons best interest at heart. When people asked for advice she always gave an answer out of love. She wanted to see people do well in life, love, work, school, etc. I don't know where I'd be without her loving guidance. God knew what He was doing when He put us together.

“*Ms. Davis was a very good friend of my Mama’s, Juanita Kinsey. I had the pleasure of working with both of them at Centel. Ms. Davis was a good friend to Mama. Through turbulent times, Ms. Davis always was there for Mama and rejoiced, grieved and held her up when she needed support. I did not know that Ms. Davis was from Sopchoppy and graduated from Sopchoppy. That explains part of their deep connection as that is where Mama’s roots are too.*

*She always had a smile and kind word for me and for that I am great full. She was definitely a steady rock at Centel, a dear friend to many. She was fair and it seemed that her heart always led her actions. If Mama were here she would be sad of Ms. Davis’s passing and at the same time rejoicing at her reunion with the Lord.*

*Lord be with her family as they are grieving this most important and irreplaceable loss.*

“*No words seem adequate enough to describe my granny. She was absolutely priceless to me. She was my best friend. My ride or die. My lifeline. My home. My co-parent. A parent. My granny. My heart is absolutely broken without her. And life will truly never be the same.*
