“ *I remember when.....there are too many. I do remember the many laughs we shared both while he was my student and through the years that followed. Losses like this one hit really hard but I was blessed by the words that were spoken during the service. Heath was (is) happy and he shared that joy with each of us. He loved big and I am thankful; he received lots of love in return.*

“*Heath Bohannon was a great friend, a supportive teammate, and all around awesome human being. I knew him primarily through playing baseball together. He was on the last baseball team I played on along with many other young men who knew him well. The team was a tight knit group, as most of us knew each other previous to forming the team. Every game when I arrived for warm ups, he greeted me with a “What’s up, Son?!” He would always give me a confidence boost when I was on the mound. A solid atta boy or a few words of motivation when I was struggling. When the team was down, Heath was up getting everyone off their butt in the dugout to help cheer on the batter. We got fancy with the chants and sometimes the league manager at the park would get mad at us. Everyone would always get quiet when she came over to our dugout to tell us to pipe down on some of the more “inappropriate” chants. We were just a group of boys having the best time playing the best game.*

Heaths supportive attitude went beyond the baseball field and was reflected in every relationship he had. As I said, I wasn’t as close with him off the field, but when we ran into each other we never skipped a beat. Whether serving his loving family at Red Elephant or checking out with him at Hobby Lobby, his smile and enthusiasm was contagious and simply brightened anyone’s day. He was a true friend to so many, a caring boyfriend to Bethany, an encouraging teammate, and a loving sibling and son. Number 4 on the field and Number 1 in our hearts, rest easy Heath Bohannon.

“*Heath, before Saturday, we had never seen your face or new your name. Our paths did not cross until that day. It was a beautiful day to be out on the water. It was a beautiful day for you....This is the day you left your family and friends to go be with our Lord and Savoir. Heath, for just the short period of time that you were with us, you made an impact on all of us. Your work was still not quite done here on earth, you continued to witness to all of us. I saw an orange bracelet on your arm, can't remember exactly what was written on it but at that time I knew your heart was right with the Lord and there was PEACE!! We made 4 new friends that day, you, Daniel, Evan and Kellson. As you look down from heaven to watch over your friends and family, please look down on us too. With much love, John, Renee, Phil, Pam, Edward, Jeanette.*

“ Heath always looked at life in the most positive way and I can just
here him now saying “it’s gonna be alright, buddy.” I’ll never forget
his laugh or always having the biggest smile in the room. He
genuinely was the best guy I knew and I’m honored to call him one
of my great friends. Fly high and rest easy heathery 💙💚

“ I just want to say, that Heath is an absolutely superb young man. Heath radiated life, love, and happiness everywhere he went.

I never saw him without a smile on his face, never, not once. Even when we talked seriously about football, or about work, he always had a joke to hit me with and something witty to say. He was a hard worker too, he listened, and was caring for his coworkers as well as his people. I worked with him for pretty much his tenure at Coosh's

I refuse to believe people pass away truly, they are here. In everything we see around us, in the life and love we share every day with each other. He loved the band Greta Van Fleet, and I have never been a fan of this kind of music, I never have liked classic style rock. But I weep when I hear some of their songs, his energy and his love flows through the music as if he is sitting next to me jamming it too as I know we would.

Mr & Mrs. Bohannon, and the Bohannon family. I just want to thank all of you for helping raise such a wonderful human being, such a thoroughly loving person and friend. He always went above and beyond to make sure every person in the room had a smile on their face. Bless you all through this hard time, my heart feels and pains with you.

I love everybody impacted by this, all of Heath's people, all of his closest friends. Be together, you are all feeling the same thing. We all lost an absolute blessing in our lives, I will never let his light die. I will jam "Meet On the Ledge" by Greta Van Fleet until I am back with you bud, rest easy, but live forever through us ❤️

“ We moved into our house across from the Bohannon’s in 2010. Heath immediately came over and introduced himself to my boys. He was the one who included Shaun. Made him feel welcome. Treated him like one of the guys. Heath didn’t see a boy with a disability. He saw a friend. I will never forget his kind heart. You will always live in my heart Heath.

Heath was one of my students at NFC. Sharon and I loved him and the family. I was a Gator fan and we loved the Gators together. We will miss him but we know he is in the presence of our Mighty God.
