“ *My heart is broken over the loss of Heidi. I worked with her every Friday morning at the Humane Society. She was such a kind and lovely lady. I consider myself fortunate to have known her.*

*Heidi had a special way with kitties, particularly the timid and frightened ones. They knew that they could trust her, which spoke volumes about her gentle nature. She referred to the kitties she cared for as her "fur babies".*

*My condolences to her family for their loss of a wonderful daughter, sister, and mother. She will truly be missed by all of us who loved her.*
