

Helen S. Walsh

August 18, 1932 - February 6, 2018

Helen S. Walsh, age 85, of Tallahassee, passed away peacefully on February 6, 2018.

She retired from Tallahassee Memorial Hospital as a Hematologist after 21 years and then joined the Ladies Group to knit clothes for the babies at TMH. Helen was a faithful member of First Presbyterian Church of over 35 years. She also enjoyed reading and spending time with her cats.

She is survived by her two sons; Douglas Walsh and Sam Walsh (Maureen) and two grandchildren; Rain Oelze and Chris Walsh.

A private service will take place at a later date at First Presbyterian Church. Scotti Barden of Bevis Funeral Home is assisting the Walsh family with their arrangements. (www.bevisfh.com 850-385-2193)

Tribute Wall

“ I worked at the TMH Lab for many years with Helen. She was an excellent hematologist and a knowledgeable source of learning for younger techs. After she retired, my wife and I would run into her from time to time at FSU School of Music events as well, it was always nice seeing her. Rest in Peace, Helen.

“ I was so very saddened to hear of sweet Helen's passing. We exchanged Christmas cards in December, and I was looking forward to seeing her again when I fly back East in May to see family and friends. Helen was my neighbor in Scenic Heights for 24 years. She always stopped for a quick chat if she was out walking while Mom and I were in the front yard, bagging leaves or tweaking the landscape. Helen brought us home-made cookies every year at Christmas time. She was kind and thoughtful and diplomatic -- and did her part everyday to keep Scenic Heights (or at least Alton Road and Medart Drive) free of litter. Helen truly did love her cats, but also was an avid gardener who loved pansies, caladiums, and azaleas as much as I do. Most of all, Helen loved her family, and her dear husband Steve, who left this earth way too soon. I say this to Helen's sons, grandchildren, and close friends: Helen will never be forgotten as long as there are people who share the memories of her they hold in their hearts.
