“ *I would like to say that it was a joy for me to be able to see Henrietta's every Thursday. If I changed a day she would pick up the phone and call me to see if I was coming over. She was always pleasant and strong about so many things. We used to garden together which was such a joy. She loved her gardening. She will be missed. My whole routine for Thursdays is changing and feeling empty. I know I will cross her path some day. She is in a much better place. Love you Henner ❤️*
