“ OI Henry.... 😊 My Buddy! I met Henry over 30 some odd years ago... told my boss at the time to give him a job in the wrecker! That dude could work yeah!! I married one of his cousins and became family to Henry and when I divorced his cousin, we became brothers!! I don't think Henry ever had an enemy... he was such a good guy, do anything for anybody... to the point of leaving himself in a bind! That was Henry! And just keep smiling and doing for folks!! He was my friend and brother! I miss you bro
