“ *So many memories have come to mind today
after I learned of Mr. Barbree's passing. He
could always make things fun. I remember
playing softball and volleyball at Church Youth
activities and he was always right there in the
middle of it playing with us. Wakulla Station Volunteer Fire Dept
days. Church work days he was always mowing, raking, or painting
something.
Not too long ago I went by our church and there he was on a ladder
painting the old church.
Our hearts ache for Ms. Martha, Sheila, Hank and Brenda but what
comfort they have in knowing that he is with the Lord.
Somehow each day will get a little easier but the hurt and loss never
really goes away.
Please know that we are here for all of you and that you continue to
be in our thoughts and prayers.*

*With our love and prayers,
William, Lisa & Addison*

“ I'm sad to hear of Mr. Barbree's passing. I have so many childhood memories; going to the fair, flying kites on Sunday afternoons, but I think the most vivid is of swimming off Bloxham Cutoff. He was so much a part of my childhood because of the church activities, and I know he will be missed very, very much.

Mrs. Barbree, Sheila, Hank, Brenda & all the family ~ I know it's all hard to deal with right now, but things will get better, day by day, hour by hour, minute by minute. Please know you're all in my thoughts & prayers.

“ Shocking to hear about Elmer. We spent many a night with just He, Joe Ladd and myself at the volunteer firefighter meetings for Wakulla Station. Then we would all be in church Sunday where Elmer was the lay leader. Shawn Pearson and family.

“ I was so sad to hear about Mr. Barbree's passing. My sister called me this morning to let me know and oh, the memories that were brought back to my mind. Of the fish fry's, the funny faces he would make when he thought no body was looking. A wonderful friend to my daddy. To his children, Sheila, Hank, and Brenda, my heart goes out to you, as well as my love, thoughts and prayers.
