Herb and Geraldine met as 12-year olds at the Raleigh Methodist Orphanage in N.C. It was to be a long and loving journey together. Herbert spent 30 years working for Monsanto. He coached little league baseball and football at Myrtle Grove for 10 years. He taught from his heart and loved each of the young men. As his boys grew up his love of sports focused to FSU. He could enjoy it even more when his son, Ronnie, played at FSU. His other two sons graduated from FSU and also two grandchildren. God has blessed this family richly with love and friends. Thank you all for loving him too.

“ Herbert was my mother's cousin and spent time at our home in the summers when he was growing up. I heard of his death this week. I am sorry to say I had not seen Herbert for many years. His photo triggered many memories and really touched me. My prayers are with Geraldine as well as his children and family. May God's loving and healing presence ease the pain of their loss. “ I have a lifetime of memories for such a great man....I am blessed....Herbert will always be remembered by so many as a great coach, wonderful father, husband and friend to all. Tears will soon be replaced with huge smiles and great stories. All those weekends at FSU before a football game...waking Saturday morning to see the whole Clewis clan in our apartment. Wonderful memories, simply priceless. The Clewis family has always been part of my extended family. I take great pride in this Celebration of life. I am a better man for having had this man in my life. There are ball players that Herbert coached in youth that have already left us...Herbert is in Paradise talking ball with them now. This gives me great comfort as I look forward to joining those conversations one day.

*With great love to all the Clewis Family,
John Steadham*
