“ Pat, Toyia, Devin,

*My heartfelt prayers are with you and your family. Herb was a kind hearted man that I will never forget. For more than 20 years, each time I saw him he had a kind greeting and a smile on his face. My son and I always felt welcomed in the Forehand home. From the pink bubble meetings, fun by the pool, playing with the dogs, vegetables from the garden, and so much more- Herb was there cheering us on, giving support, and encouragement! One of the little things that I always appreciated was his servant's heart and his smile. May you rest in heaven Herb!*

Love,  
ShonTina

“ Pat, our deepest sympathy is with you and your family. There are a lot of great memories of you guys, back when we (Alden, George, Buz and all the others) were on the old survey, pulling those mobile homes up and down the highways. I regret not staying in touch after Herb left the Department of Transportation. You are in our thoughts.

“ To all the great extended Forehand family I extend my deepest sympathy. We all have great memories of Herbert. I am sorry that our lives went in different directions and I never knew his immediate family. But many of us share those happy days of childhood, when we grew up together. It is comforting to know that the wonderful love and training that we received as children has lasted all of us a lifetime. We WILL rejoice together again.

“ *Herb was a beloved member of our large extended Forehand family, Since his dad Herbert and my Dad Burlie were brothers, we enjoyed times together in our childhood and growing up years in our hometown of Callaway. Only a few weeks ago, on July 23, we were all surprised and happy to see Herb walk into the room with Pat and Bonnie for the Forehand family reunion in Panama City. Herb fought a good fight and is now a resident of his eternal home in heaven. We will meet again. Our love and prayers to Pat, Toyia and R.J., Devin and Jocelyn and Tanner and Summer, and to all of Herb's siblings and families.*
