“ *My Grand-Daddy was one of the most amazing men EVER!!! I will miss seeing him drag that leg down to the front of the church and sitting there crying and praying. But, I will FOREVER have these memories. Meadow Gold Ice Cream Coupons, working in the garden, walking hand-in-hand in the back yard, trips in that old, brown conversion van to see Uncle Greg graduate from basics, sitting in your lap watching the braves play on TV, etc..... Sooooo many memories; so little time. I love you!!!!*

“ *Daddy - I just want to say I love you very much. You were an awesome Dad and I was so happy the day you gave your life to Jesus. I wish we would have had time to talk to you before you left for your eternal home. We did talk to you while you were on life support and I do believe you heard us. I know you are happy and would never want to come back here. I can picture you with my babies sitting on your lap. Love you and we will see you later.*
