“ Words cannot express the way I feel for the loss of such a good friend. Even during his trials and tribulations, Hoyt was an amazing person with a huge heart. He was so full of life and had way much more life to live than what was given. My heart goes out to Hoyt, Ms. Phalecia, and all his friends and family that are suffering because of his death. He will be missed dearly, as he touched the lives of so many. My prayers are with his family and friends. I love you Hoyt and as a friend I will pray for you, your mom and all your friends and family who will miss you as I do. Your smile is contagious. Keep on keeping on, smiling down on us as we pray for you today and every day.

Love Always,

“ *I am so sorry for your loss of Hoyt. I too have felt the deep pain of losing a loved one in death at a young age. It is truly comforting to know the hope God give us in his word that we will see our loved ones again in a world without suffering. (Rev 21:4) None of us are guaranteed tomorrow, but we are guaranteed a resurrection. May these words bring you comfort and hope. With prayers*

Think of you and Chelle often, Mrs. Linda. Our family has experienced similar tragedy as well. Ms Phelicia, you raised a lover, not a fighter. Hoyt had a heart of gold, and he sure loved you! I'm so so sorry for your loss. Hoyt touched many lives. You're in my prayers.

“ Phalecia - I'm so sorry for your loss. It's been a long time since I saw you, Hoyt and Allen. You were such a kind and gracious host to me, my boys and Niki. My boys were younger, and Hoyt was always so good with them. He was a real sweet and funny kid. (He called me "Allen's girlfriend" lol) Those were fun times. I hope good memories bring you some peace. My thoughts and prayers are with you and your family.

This was a big shock for all of us and I just want you to know that your family is always here for you no matter what. I pray that justice is served in his name and that his soul moves closer towards those heavenly gates each passing moment. Be strong for Hoyt. We love you.*
