

Hunter H. Harris

January 21, 1971 - June 24, 2021

Hunter Henderson Harris, age 50, passed away at his home on Thursday, June 24, 2021. He was a proud Tallahassee native. He graduated from Leon High School in 1989 and was a lifetime Florida State University fan. Before his battle with cancer, Hunter was the Vice President of Baker Harris Insurance for over 25 years.

Hunter is remembered for being an avid freshwater fisherman and hunter - especially deer hunting. Hunter spent as much time as possible outdoors at his family's farm in Washington County. He also loved cars and was a member of the Mustang Club, which celebrated his favorite car of all.

He is preceded in death by his grandparents JB and Joyce Harris and Arthur and Louise Henderson. Survivors include his wife, Ricky Lynn Harris; children Jordan Harris (Brady), Haley Harris (James), Katelyn Andrews (Jeremy), and Connor Couch; parents Drexal and Jeanne Harris; numerous aunts, uncles, and cousins as well as various other family members and friends who will remember him fondly and miss him deeply.

The family will be receiving guests for a visitation at Bevis Funeral Home of Tallahassee on Monday, July 5, 2021 at 1:00 p.m. to be immediately followed by a memorial service at 2:00 p.m.

Breanna Green of Bevis Funeral Home is assisting the family with their arrangements. (850-385-2193 or www.bevisfh.com)

BC

RIP Hunter. I recall spending many great moments with Hunter watching the Seminoles football games. Also, Hunter always had a great sense of humor and was a joy to be around. Certainly, he will be greatly missed.

“ Drexel, Jeanne and family, Jack and I are so saddened to learn of Hunter’s passing. He certainly fought a good fight. Can’t imagine what you have been through and are now going through. Prayers for everyone. Unfortunately we will not be able to attend the service as we are out of town until mid July. Know it will be a beautiful service and great tribute to Hunter.

Praying that God will comfort you as only he can.

*Love,
Jack & Ann Henderson*
