“ *When I was a young, I loved hanging around my grandparents oyster house. I especially loved listening to the stories Ms Irene and my mom would share about the old days when they were young and times were hard. Ms. Irene would be chewing her tobacco and mom was smoking her Camel cigarettes. The smiles on their faces and the laughter when they spoke of some of the happier times was priceless. That is what true friendship is all about. Ms Irene, please say hello to mom for me and tell her I love and miss her.*
