“ I was good friends with Jackie in elementary school. I remember how sweet and kind she was and her smile lit up every room she was in. I have a memory of us playing on the playground in second grade and the field trips with her were so fun. I remember being only 7 and hearing the news of her passing, it genuinely hurt me to my core to hear she was gone. She was an amazing friend and I will always remember her. Rest easy Jackie ❤️🕊️

“ I was one of the kids in the picture we used to go to school with each other and she was probably one of the best childhood friends I have ever had we would trade stuff all the time and at the last day of school we where playing with shaving cream and me and her smeared it all over each other it was the best day of my life, I remember it like it was yesterday and when we went on the field trip it was so fun seeing all the fun stuff they had and me and Jackie running around playing on the playground they had. that was the last time I had seen her. She was definitely gone to soon I hope she rests easy ❤️

“ Christina and I were childhood friends. Grew up in the same neighborhood.... Life has a way of drifting people apart when growing up. One thing about it, the pain is real, the hurt is there. I've lost a friend and this baby is gone wayyyy to soon. Rest peacefully both of you💔
