“ Jackie was such a beautiful girl with a wonderful spirit. Mark and her four babies were the love of her life. There are no words to express the sadness but please know that you have many people sending you love and prayer for comfort and peace. If there is anything you ever need we are just a phone call away. God just gained another angel!

“ Sending thoughts and prayers to you Mark and to the family. It breaks our hearts to hear of your loss at such a young age. God knows who he needs and when he needs them although we might not understand at the time.

May the beautiful memories you two shared during your short time help to get you through this difficult time. Know that Jeff and I are there for you in spirit and we are here if there is anything that we can do for you. We love you! 💔🙏

“ Bells are ringing! For God has gained another Angel. Condolences to Jackie's family and friends! I remember her from 1990, when she was about 5 years old. I am so very proud of the woman, mother, wife, daughter that you became. Such a beautiful young lady inside and out! Cathy Coburn and family.

“ Jackie walked into my life in the fall of 2012. I quickly fell in love with her kind, gentle heart and her powerful, confident personality. Jackie would do anything to help someone out but she was a strong woman and wouldn't let anyone take advantage of her. It pains me to know that you're gone but brings me joy to know that you now walk beside the Lord free of pain or illness. Until we meet again my love...

“ You never saw Jackie without being greeted with a smile, she was a delight to be around. Through the years we had many talks and those always consisted of her talking about and praising her babies and the love she had for them and her husband. She will truly be missed. My deepest sympathies to to her family and prayers for you all.
