When Moses was on the mountain in the presence of God, his change was mental and physical. He saw, felt and communicated with God. We as his children should strive to have that same experience, mind, body and soul. Let's lead lives of service, humility and faith in God. We are working in his vineyard and our reward is not in riches, but in love. Let us thank our heavenly father for our strong bond with each other. Also, as we grieve, let us not do so as those who have no hope. Love conquers all. Todd Wahlquist is assisting the family with their arrangements (850-385-2193, www.bevisfh.com).
