“ *I worked with Alan first at Strickland electric and later at Lawson and Lawson electric he was a really good friend of mine and my family we had a lot of good times hunting, fishing, watching football games and just hanging out. After I left Lawson we kind of drifted apart but when we would see each other it would be like old times I can't believe he has passed he was way too young he will be greatly missed by all who knew him and loved him my heart felt condolences from Billy, Janet, Justin, Melissa and the whole Johnson family*
