“ I met Mike when he came to my home six years ago to work on an electrical job. By the time the job was over, I not only a knew a talented electrician, but I made a new friend. He was just that kind of person. So easy to get to know, so easy to like. Mike was truly one of the good-guys. The world is a sader place without someone like him around.

Mike loved his family, he was so very proud of his children, as he spoke about them each time I saw him. My thoughts and prayers go out to you all. Please let me know if there is anything I can ever do to lighten your load.

“ My condolences to all whom had the cut short pleasure of knowing Mike Cook (Rock). He was an easy going soul. Mike always had a smile and a story to tell guaranteed to make you laugh when you really wished to cry. My memories with Mike will always be happy ones. I can remember looking forward to the weekends spent with Mike and the gang back in the day. Many hours spent talking and laughing.

Mike lived his life on his terms. He made many friends while the Lord allowed him to grace our presence. I'm sure that all will agree Mike was one of a kind, special in many ways. Easy to love and call friend.

He took the place of an absent father and loved a child as his own. It still amazes me how Mike and Cody remained so close even after the child became a man. Cody Hughes, his father's name is Mike Cook.

I'm sure heaven is Rocking with Mike at the lead of the ones we have lost before him. I'm sure there was a checkered flag waving his way into heaven.

Until we meet again my friend.

“ *Where do I even begin? Brother we had some crazy times together back in our younger days, stories I still tell to this day. It's a wonder we made it this far. I'm sure over the next few weeks the ones you've left behind will get together and tell stories of the good ol days. Although your time here was cut short, won't nobody be able to say you didn't live the hell out of this life. I along with so many will miss you brother. I'll see you on the other side.*
