*My sincere condolences and prayers for peace to Tony, Carolyn, Michael, and Geri. Also to Matt's other friends and loved ones. He will always be that sweet guy I met when he first came to Carrabelle. He knew no strangers and could make anyone smile. He was always there helping those he cared about. Even when it meant his own great sacrifice. Matt was part of my family. He will always keep that status. Heaven has gained a wonderful man. He will be missed immensely. Rest easy now dear friend...

My deepest condolences and prayers for all who loved Matt. We were in high school together in Carrabelle . Matt was such a crazy, funny guy and a lot of fun to be around. Matt is one of those people you never forget. He had a gift for making people smile. He sang in the youth choir at our church. I can just picture him in the angel's choir now....not sure about a halo with that fro, lol. Love ya Matt! RIP

I'm sorry, Jack. He looked like a great guy, and taken too young. But maybe someone in Heaven needed a friend like him, more. Hopefully, you two saved guys will have great fun in the future in Heaven's glorious and beautiful fishing holes. - Priscilla
