“ *Can't believe that we laid you to rest a year ago today. It seems like only yesterday ... A lot has changed, but one thing will never change. You will be in my heart forever. And I will see you again*

“ To Michelle, Lana Jo & the family. My heart goes out to you over your loss. I do understand the emptiness you are feeling. I have nothing but memories of him as I was growing up.....always fun to be around & a warm sense of humor. So glad I got to see him @ Fayne's funeral. The are resting in the arms of God now.

“ Papaw, It has been over a week since you left here for your Heavenly home. But it does not ease the emptiness I feel in my heart. I started to pick up my phone to call you not once but a couple times and knowing your not ever gonna be on the other end is just killing me. I just wish I could have been able to at least hear your voice one more time and to tell you I LOVE YOU. I guess I am so happy that I do have so many happy times that we did get to share, and I know I will see you again. I love you more than words can every describe. Michelle<3
