James Preston (JP) Fenton, age 88, of Palestine TX passed away of natural causes on June 10th, 2013 in Tallahassee, FL under the loving care of Linda and her dedicated staff at L&L Assisted Living. JP was a war veteran serving in the Marines during WWII. After graduating from Texas A&M University, he was employed as a mechanical engineer for 50 years.

JP had a passion for puttering and tinkering and was known for his outrageous dry humor. He is survived by his wife of 46 years, Joyce of Tallahassee, FL ; and by his daughter and only child, Michelle and son-in-law Jeff of Tallahassee, FL; and by his friends (that are still living).

JP walked quietly while on this planet: his words were few, but he kept us laughing until the end and with his facial expressions: priceless memories.

“ Dear Fenton Family;

While reading the online obituary, I observed the death of your love one.

Death is an enemy to mankind and who can understand it? It can and dose have a devastating effect on you and your family as well.

Can you imagine reading a newspaper with the headline; "When Death is Swallowed Up Forever....." What a wonderful time that will be. Revelation 21:4 offers this hope, it states: "And he (God) will wipe out every tear from their eyes and death will be no more, neither will morning nor outcry nor pain anymore. The former things have passed away. What a comforting hope.

If you would be interested in learning even more, I can send you a little tract that is entitle "What Hope for Dead Loved Ones"? If you have any Questions please feel free to contact me at this e-mail address here (b.molina56@yahoo.com).

I offer my sincere condolences, may the God of peace be with you and your family.

*Sincerely Yours,
Brandy Molina*
