Uncle Jimmy was a smart, kind, wise, and truly the most helpful man I've ever met. He would deep dive into anything and everything to find a solution, fill his curiosity, or to learn something new. Our family will miss him deeply, but will continue to look to him for all his advice and knowledge. I will hold all of our memories dear and am thankful for the time we were able to spend with him. We love you Uncle Jimmy ❤️

“ Jim fought a good fight. He was a great friend as well as a great baseball/softball/football coach to hundreds of kids over the years. His umpiring decisions may have been questionable at times though. :-) I will miss him greatly. Condolences to Kim, Jessie and Jimmy.

“It’s a strike if the umpire says its a strike”. So many wonderful memories at the baseball field with Jim coaching/teaching and mentoring my son and so many others. Thank you Jim for all you gave to so many young men. You touched so many and will be greatly missed. 💜
