“ I first sought treatment from Dr Grant in 1965 following a car accident. During the following years he provided relief from my aches and pains. He even helped while I was undergoing cancer treatment. I got to know his family and currently receive treatment from his nephew, Dr Cal. It was so great knowing Dr Grant and his family. They are all caring and kind people. My sympathies to them and may their memories sustain them.

“ Dr. Grant was a kind, authentic and sincere man whom I always admired. As my Mom's chiropractic physician, I always looked forward to taking Mom to her appointments with him, as it gave me the chance to spend a few moments with Dr. Grant. His work was selfless and caring, with great effort, and he always cared for his patients with kindness and skill. Dr. Grant and my Mom were close to the same age, possessing that priceless "Greatest Generation" character, and it showed in him every day. I'll never forget the day, three years ago, when I stopped by the office to see Dr. Grant and Mrs. Grant, to thank them for all the years of taking care of Mom. I had just lost her. I had trouble talking that day, but Mrs. Grant was encouraging to me, and Dr. Grant reminded me that Mom was in Heaven. Now he has that same reward. Thank you, Dr. Grant. We miss you. And my best wishes to you, Mrs. Grant, now and always.

“ I met Dr. Grant about 17 years ago when I needed a chiropractor and he was recommended to me by my husband who'd gone to him many years earlier. Besides being a great doctor, he kept me entertained by sharing stories of post WWII life on Alligator Point where he spent time as a kid. I loved him - such a great man. He once jokingly accused me of feigning pain just so I could ask for more stories!! He definitely will be missed - and God has an angel beside him.

“ I have lost a true friend that God has gained. I have known Paul since the early 1960, have been on many fishing and hunting trips and many details with FHP. “ We would like to express our sympathy to the family in your time of sorrow. We shared a hospital room at TMH on Saturday and part of Sunday and God placed us there to offer a little comfort in your dark hour after the doctor gave you the bleak outlook for the remaining time here on earth. But praise God you know he no longer suffers and is safe in the arms of God!
