“ It saddens me to hear that my first cousin James Hutto has passed away, he has gone from this earth of pain, tears, & sadness on to Heaven where there is no more pain, tears or sadness, only happiness with the Lord and with family that have gone on before him. I remember growing up all of us cousins and there were many, meeting over at our Granny Kelleys house every Saturday & Sunday afternoon playing baseball until we could no longer see the ball!!! Then like most families we grew up and apart & no longer got together except for family reunions, which at times I didn't get to go too very often. We've lost so many of our loved ones in recent years my son, mother & my two oldest brothers being some of them, our Granny & Granddaddy had 14 children & there are only two girls left, our Aunt Lou & our Aunt Ann, & I pray they have many years left with us. You never know when it's your time to go, I just wish that I had gotten together with my family more, I guess sometimes we let our other life get in the way. To James's sisters & brothers, children & grandchildren your in our prayers & we share in your loss, just remember, James has gotten the ultimate healing, because He is in Heaven now with the Lord. God Bless You and Yours. 🙏🙏😊😊💜💜 We Love You & we Will Miss You!!!! Love, Jean & Lester Whaley
