“ *The Luttrells were our neighbors in Orange City many many years ago. Actually Randy and I were one day apart in age and we used to play together*

“ Jimmy was my brother-in-law; married to my sister Kate. When I lived in Alabama, we would visit each others home. Jimmy was a fun loving person. He was a kind, gentle, easy going man. When Jimmy & Katie would come to Alabama for a visit, I had a coffee drinking buddy in Jimmy. We would sit in my back yard talking and drinking coffee for hours. I was so saddened and heartbroken when I heard of his passing. Now that I live in Centreville, Virginia, we still talked for hours reminiscing of those fun visits when I lived down south. Jimmy will be sorely missed. I will always cherish those fond times we shared in my backyard and those phone conversations miles away. I will always carry Jimmy in my heart and thoughts. You were loved by all Jimmy.
